Keith Maloof, Head Football Coach
770-582-7508
2006 & 2007 Region 7AAAAA Champions
www.norcrossbluedevelopersfootball.com

The foundation for this Norcross High School Football program begins with the support from our parents and the community. Just from your support, our team has excelled in the classroom and on the football field. In two years, our players have made history by becoming back-to-back Region Champions (2006 & 2007) with a 22-3 record. This is one of the best records in the state of Georgia. Now, with your support, you can help us take our program to the next level.

Become a member of the NHS Touchdown Club.

We depend on the touchdown club to provide the funds that make this program successful. Gwinnett County does not fund a large part of the expenses required to run our program. In fact, last year the Touchdown club provided approximately \$800 PER PLAYER in support of the NHS football program, above and beyond what is provided by the county athletic system. This included items like:

- *Weight equipment and training*
- *Pre-game meals*
- *Field equipment*
- *Field lining/painting*
- *Football camps*
- *Laundry*
- * *Audio/visual (game taping, used for player coaching/improvement)*
- * *And many other necessary expenses.....*

Now, each family and community member can and should support our sons and the program by becoming a proud member of the NHS Touchdown Club."

*Keith Maloof,
Head Football Coach*
