*2006 & 2007
7-AAAAA Region Champions*

Dear Patron of Norcross High School,

Thank you for your continued support of the 2006 & 2007 Region 7-AAAAA Champions Blue Devil Football Program! We are focused for 2009. We are looking forward to this season.

The Norcross community is very enthusiastic about our upcoming 2009 season. The true depth of our pride comes from a continuation of our "Norcross Tradition of Excellence".

As you know, the Norcross Football program is built with athletic sweat, parental involvement and community support. The Touchdown Club is a non-profit organization, a 501(c)3, created and charged with the mission of supporting our student athletes.

Supporting Norcross Football comes in the form of the Norcross Matrix Board, Leader Boards, and Annual Program Ads. Many agree that these advertising opportunities represent the highest and best use for your regional advertising budget.

ALL THE PROCEEDS from these activities directly benefit the student athletes by supporting the football program.

Your continued participation in the 2009 Norcross advertising and sponsorship campaigns will fund numerous expenditures associated with a successful championship high school football program. Funding examples will include, but not limited to the purchase and refurbishing of personal safety equipment, capital improvement, field maintenance and team equipment.

Take pride in knowing that your continued patronage will enhance the learning and growth environment at Norcross High School. The football program favorably impacts our Norcross Community.

The program's positive influence can be seen in the players scholastic achievement, athletic prowess, character development and discipline. These character traits, while developed at Norcross, will become lifelong assets.

Thank you for your support,

Keith Maloof, Head Football Coach

2009 Norcross Touchdown Club Matrix Board Sponsors

*On Behalf of the entire
Norcross community,
"Thank You"
for your continued patronage.*
