

NORCROSS TOUCHDOWN CLUB

OUR VISION (what we have to offer):

We are an inclusive family of parents, faculty and community supporters who are committed to achieving excellence in the football programs of Norcross High School.

OUR MISSION (how we accomplish our vision):

Team Support = We all are visible and loud!

We promote school spirit and positive enthusiasm by attending events, wearing NHS spirit wear and cheering for our teams.

Financial Support = We all give what we can!

It takes money to run our program. We set priorities and take it upon ourselves to give or raise the money needed for our players to succeed.

Volunteer Support = We all get involved!

We actively offer our time and skills as we work together with the coaches and school administration to serve each other. Don't wait to be asked.

Community Support = We all have fun!

Participation as a fan, fundraiser or volunteer not only increases the success of our teams, but also provides an opportunity to build positive relationships with those in our Norcross community.

OUR VALUES (of the things we think, say or do):

The Norcross Touchdown Club strives to be an inclusive family known for excellence, personal integrity and team unity. Our student athletes are expected to succeed in the classroom, in the community and on the playing field.

OUR MOTTO (how we encourage each other to achieve):

WE BELIEVE THAT WE WILL WIN!
